

Dear friends,

Mustang Softball is now seeking individual sponsors for each one of our rec softball teams. In doing so, we hope to provide our girls with the opportunity to grow and play at more competitive levels without leaving our hometown of Hanover. Mustang Softball provides the girls in our community with a softball program that teaches life skills such as, confidence, teamwork, leadership, and sportsmanship. While we have unwavering support from our parents, coaches and players, Mustang Softball would like to create a relationship between our organization and the surrounding community. Our goal is to grow our organization and provide our girls' opportunities to become more involved in the community.

To help with the growth of our softball program we are asking that you please consider becoming a sponsor. We are a non-profit organization and 100% of your donation will go directly to our teams for equipment and uniforms. If you graciously decide to donate, your sponsorship money will go towards the cost of providing each girl a uniform with your company name on them, along with equipment to help build our program. We hope that with receiving sponsors we can continue to grow our Mustang Softball and West Manheim X-treme programs each year. We cannot do this without the support of our local businesses. We hope that you will consider becoming a sponsor for one of our teams. Any donation amount would be a tremendous help to our program and families.

Thank you for your consideration,

Melissa Hickman

President
